SUBJECT: Memorandum of Appreciation

1. I would like to convey my appreciation and that of the NFIP Program Managers, their offices, and the Intelligence Community Staff for the outstanding support provided by the Office of Logistics, Printing and Photography Division (P&PD) during the process of publishing the FY 1984 Congressional Budget Justification Books (CBBJ). Our hats are off to the many people throughout P&PD who made such a significant contribution to the production of the thirteen volumes.

2. As was the case in past years, the quality of the volumes and the professional advice we received from P&PD was superb and the dedication of the unit to produce a high-quality product on time was instrumental in our meeting the deadline set by Congress. I would particularly like to thank [REDACTED] and the following sections:
